

# Camp Ozark Staffed Flights 2012

As a service to our camp families, Camp Ozark staff members accompany campers on specifically designated commercial flights to and from Houston and Dallas. All other non-accompanied flights will be met by Camp Ozark staff as they arrive in Little Rock. Campers arriving in Little Rock, whether on an accompanied or non-accompanied flight, will be transported from the airport to Camp Ozark via charter bus.

As it is up to the parents/guardians to make their own plane reservations, Camp Ozark is providing this list of accompanied flights to aid in the reservation process. Keep in mind that many of our campers fly unaccompanied into Little Rock. However, if your travel plans include a commercial flight from Houston or Dallas, the following information should prove useful. **Please be sure to verify the Opening Sunday and Closing Saturday dates for your camper's session(s).**
